SUMMER SCHOOL 2015 COURSE LISTINGS
Registration for Summer 2015 will open March 25. Below are important dates and deadlines.

Washington University’s Summer School has an open admission policy. A transcript is not required for students who have earned a high school diploma, or its equivalent, by June. If you have not completed high school by then, we invite you to call the Summer School Office, (314) 935-6777, for information about high school programs. The Summer School welcomes students from other colleges and universities and adults who are seeking career advancement or enrichment.

There are four sessions during the summer, and summer courses are held during the days and evenings.

**Note:** Graduate students from divisions other than University College or Graduate Arts & Sciences should contact the registrar in your Dean’s Office to register.
